Power of Attorney: In the event of my absence when your adjuster calls to make an adjustment of this claim, I hereby appoint _____ who resides on QTR ____ SEC ____ TWP ____ RGE ____ MER ____ , Phone No. _____ , Email _____ to act on my behalf in the adjustment of the said loss and in that capacity to make proof of loss and to do all things required by me to be done, pursuant to the statutory conditions of the said policy, and I hereby ratify all that said attorney may do in connections with such adjustment and appraisal.

I am aware that according to the policy which I hold, the company is not liable if the loss is less than 5 percent of the insurance per acre, or in the case of a deductible policy, to loss in excess of such percentage as may be endorsed on the policy in accordance with my application for insurance and that if I ask for an adjuster, and the loss proves to be less than that amount, that I am liable for the expense of the adjustment, and I now ask for an adjuster, believing my loss to be more than that amount.
